## Pooling efforts for disability inclusion at country level: the new UNPRPD Strategy

The United Nations Partnership on the Rights of Persons with Disabilities (UNPRPD) is responding to the contextual challenges and the UN Decade of Action to deliver the SDGs with a new strategy, shifting to proactive, results-oriented joint programming with increased participation of OPDs to drive CRPD and SDG implementation.

This event will explore how UNPRPD can contribute to bridging the divide between CRPD implementation and the achievement of disability inclusive SDGs and best practices from UNPRPD MPTF programs that have inspired the New UNPRPD Strategy 2020-2025.
